Suggested future meetings:

At the moment there are 10 meetings a year. Traditionally there is no meeting in January and August.

The December meeting falls very close to the Christmas break. Meetings are needed in March to receive year end accounts, May as this is when the Annual meetings must be held and November to agree and set the precept for the following financial year. Therefore January, March, May, July, September and November would fit the pattern, with extra meetings if required for planning applications which need discussion or other urgent business.
